### **Striving for inclusive development: from Pangkor to a modern Malaysian state**

by HRH Sultan Nazrin Shah, Oxford University Press, 2019, 531pp.

ISBN: 978-983-47-2976-9

*Striving for Inclusive Development: From Pangkor to a Modern Malaysian State*, as the title indicates, chronicles both a nation's formation and its enduring socio-economic quest. Author Sultan Nazrin Shah, already distinguished for his contributions to Malaysia's historical economic growth, from colonial times to the present, widens the scope of inquiry. This richly informative and deeply thoughtful book is about Malaysia's development path across multiple dimensions.
